

# Reading Club

## Who can participate

Children ages 0-18 who have been registered in Beanstack are eligible for the summer reading challenge. The child or parent/legal guardian must have an active library card to participate in the club. See below for more Beanstack info.

## How it works

Earn badges and prize tickets in Beanstack by reading library materials and logging the days you read. Reading 20 minutes a day is recommended.

**Last day to log reading is July 31st.**

## Win prizes

For every four days of reading logged, Beanstack will award the reader a badge and a small prize to pick up at the library, as well as a ticket entry in the grand prize drawing of their choice.

### Participating in Beanstack is easy and fun!

- Join ongoing reading challenges all year long.
- Log your reading, complete activities, and write reviews.
- Build a reading streak and track your reading habits.
- Connect with friends to see what they're reading.

### Sign up in just a few easy steps:

- Launch the BRL mobile app or go to [boonslicklibrary.beanstack.org](https://boonslicklibrary.beanstack.org)
- Sign in to your Beanstack account or follow the instructions to create a new one.
