Who can participate

Children ages 0-18 who have been registered in Beanstack are eligible for the summer reading challenge. The child or parent/legal guardian must have an active library card to participate in the club. See below for more Beanstack info.

How it works

Earn badges and prize tickets in Beanstack by reading library materials and logging the days you read. Reading 20 minutes a day is recommended. Last day to log reading is July 31st.

Win prizes

For every four days of reading logged, Beanstack will award the reader a badge and a small prize to pick up at the library, as well as a ticket entry in the grand prize drawing of their choice.
